I. Proposal by the Vice-President to consider how the resolution passed at the late meeting of the Civil and Military Station Municipality proposing "to obtain immediate and sole possession of the Water-works Reservoir on the Tumkúr Road with its catchment area, delivery channel, &c.," will affect the supply of water to the Town and to propose a resolution thereon.

Resolution.—The Board unanimously resolved that a letter be addressed to the Dewan, requesting early sanction to the scheme of constructing a sluice in the Water Works Tank and a channel leading

to the Darmambudhi tank from it as already proposed in Deputy Commissioner's letter No. 471 of 18th September 1882, at the same time pointing out the claims of the Town to participate in the water supplied from the Reservoir.

II. Filling up vacancies of Municipal Commissionership now existing in Nos. I, II and III Divisions.

Resolved.—That the filling up of the vacancies of Municipal Commissioners be deferred until the orders of Government regarding election of members are received.

III. Map showing the new limits added to No. VI Division and the proposed conservancy arrangements thereof.

Resolution.—Approved.

IV. Proposal by the President to increase the allotment under "Repairs of Roads."

Resolved.—That a further allotment of Rs. 4,000 be made for "Repairs of Roads". This amount to be deducted from the head "Original Works."

V. Municipal Engineer's letter suggesting certain arrangements for the disposal of the sewage of the main drain.

Resolution.—That the Commissioners do not approve of the proposal as it may tend to abuse.
